

Hello Friend Hallo vriend

Hello, from your Afrikaans-speaking friends in South Africa. Lutheran Hour Ministries (LHM) engages children and young people in ministry with the summer Kidz Kamp, and the ongoing 'God is Our Strength Workshop Club.' Kidz Kamp involves children in drama, voice training, stage management, and leadership. While 'God is Our Strength Workshop Club,' a group that ranges from ages 3-15, teaches the basics of acting, script writing, character building, and challenging the imagination. Drama is used throughout South Africa to share God's message in schools, hospitals, and communities.
